"Staurt Log Cabin"

In the year 1820, Samuel Stuart, a pioneer and farmer built this log cabin.

The cabin is located a few miles south of Chesterfield, St. Louis County, Mo.,

The quaint beauty and the picturesque setting is very impressive. The property is still in the possession of the Stuart Family. Dr. Samuel Stuart, a son, still lives on the farm and has preserved the old log house as a landmark.

The cabin is one and one-half stories.

Information received from Dr. Samuel Staurt.
